I was on my way to work when I was severely injured in a car wreck 10 years ago. My injuries caused me to become disabled, and as a result, my employer fired me. He stated that it was because I was disabled. I have been attempting (through the courts) for over a decade to recover the money that is owed me. The State of North Carolina has used its apparently unlimited funds to prevent this case from ever going before a judge.

THIS CASE HAS NEVER BEEN ADJUDICATED and I have suffered tremendous financial hardship because of this.

My legal residence is Midland, NC
